ROSEHIP OIL

Made from freshly picked rose buds, rosehip oil is an overachiever. As a natural source of antioxidants, vitamin A and essential fatty acids, it helps even out skin tone, hydrate, neutralise free radicals, balance oily skin and reduce the appearance of scars and fine lines. Find it in **Trilogy Rosehip Oil Light Blend** (right), \$35.95, and **Natio Sunlit Mineral Bronzer** (below), \$19.95.

REVIEWED: ENDOTA DEEP TISSUE MASSAGE

This treatment works on two levels: the kneading (plus the organic Clove & Mint Recovery Balm) helps melt away tension, while the essential oils offer a moment of zen during the festive season. For 60 minutes, \$120, endotaspa.com.au.

THE GIRL'S GOT NEW CLOTHES!
Red Daisy Marc Jacobs Shine Edition EDT 100ml, \$120, is all wrapped up for Christmas.
